

One-DELWP: This is our business

Delivering on our 2021-22 portfolio priorities

Portfolio priorities are underpinned by DELWP's commitment to our seven Outcomes and Pupangarli Marnmarnepu "Owning our Future", the Aboriginal Self-Determination Strategy 2020-25.

The two most recent State Budgets included an historical investment in DELWP portfolios, underlining our pivotal role in the state's sustainable recovery and growth.

At the heart of the 2021-22 State Budget is a plan to create jobs and get Victoria back into work. Many of these jobs will come from the projects and programs that our portfolios deliver.
