Disclosure of grants and transfer payments

As outlined in the DEECA Annual Report (found at https://www.deeca.vic.gov.au/our-department/annual-report), during 2025-26, the department provided $1.243 billion in grants and transfer payments to various organisations and individuals. This comprises $1.229 billion in discretionary grants (Table 1), as well as $0.014 billion in Commercial-in-Confidence payments to 12 recipients (Table 2).

The DEECA Annual Report 2025-26 provides a summary of grants and transfer payments by output and program in Appendix 6. Below is the detailed list of grant recipients and receiving organisations, including all grant and payment recipients.

For the purposes of this annual report disclosure, the following definition applies for a grant: a grant pertains to any monies included as a controlled expense within a department's output schedule that is allocated to:
- any government entity (including general government entities and public non-financial corporations)
- third-party or parties outside the public sector and at the discretion of a department or agency, with recipients required to use the monies for the specific purposes outlined in the particular funding agreement.
